Institute has well equipped modern laboratories, a well stocked library, computer networks and Fully Wi-Fi Campus.
**OBJECTIVE**
ITST-2013 aims to bring together researcher & scientists, engineers and students to exchange their experiences, new ideas and research results about all aspects of science and Technology, and discuss the practical challenges encountered and the solution adopted.

**ITST - 2013 CALL FOR PAPERS**
The Conference covers all topics of Science & Technology and related topics. ITST-2013 invites original papers from Researchers / Academicians / Scientists / Engineers / Technologist / Industrialist / for presentation (oral & poster) in the conference.

**GUIDELINES FOR PAPER SUBMISSION**
One page abstract with experimental findings on A4 size paper should be submitted before the deadline. The paper should be original one, not submitted/published elsewhere. The soft copy (word file) of the paper should be submitted to hodas@peoplesuniversity.edu.in
At least one of the authors should register for the conference. A registered delegate is permitted to present one paper only.

**Areas of Science and Technology includes**
- **Applied Science**
  - Mathematics
    - Applied Mathematics
    - Algorithm
    - Operational Research
    - Mathematical programming
    - Simulation Model
  - Chemistry
    - Applied Chemistry
    - Bio-Chemistry
    - Medicinal Chemistry
    - Organic Chemistry
    - Inorganic Chemistry
    - Physical Chemistry
    - Environmental Chemistry
    - Nanoscience
  - Physics
    - Applied Physics
    - Nanotechnology
    - Condense Matter & Material Physics
    - Plasma Physics
    - Molecular and Optical Physics
    - Astrophysics & Space Science
    - Biophysics
- **Electronics & Communication Engineering**
  - Signal and Image Processing
  - Nanoelectronics
  - VLSI and embedded Systems
  - Wireless Communication and Networks
  - Optical Communication and Photonics
  - Digital Communication
- **Electrical Engineering**
  - Power System Protection
  - Power generation, transmission & Distribution
  - Distributed Power System and Cloud Computing
  - Non Conventional Sources of Energy
  - Power Quality
- **Mechanical Engineering**
  - Thermal Engineering
  - Production Engineering
  - Fluid Mechanics and Propulsion
  - CAD / CAE
  - Robotics
  - Environmental Engineering
  - Heating, Ventilation, Air Conditioning and Refrigeration
