# PEOPLES COLLEGE OF DENTAL SCIENCES AND RESEARCH CENTRE

## DEPARTMENT OF PUBLIC HEALTH DENTISTRY

### WORLD AIDS DAY

Department of Public Health Dentistry of Peoples College Of Dental Sciences And Research Centre organised a Nukkad Natak on **WORLD AIDS DAY** (01-12-2021). The Nukkad Natak was held near the PHC centre Anand Nagar. Dr. Arathi Menon, Dr. Ayushi Sharma and Dr. Nikhil Thorat postgraduates of the department of public health, participated actively in the programme alongside the interns. The program's major goal was to raise awareness of the risk of HIV/AIDS exposure owing to a variety of reasons.

Department interns put on a Nukkad Natak to teach all the precautions we may take to stop the spread of the HIV infection. At the conclusion of the programme, the department's post-graduate students gave a thorough lecture about AIDS prevention, treatment, and symptoms in an effort to raise public awareness. Overall, the programme was a success.

## WORLD NO TOBACCO DAY

The world “No Tobacco Day” is celebrated every year on 31st May. This day also known as the anti-tobacco day was an initiative by WHO. This was an initiative taken to make people understand the harmful and negative impacts, how second-hand smoke affects the smoker and his surroundings like their family and their community.

Public health department of Peoples College of Dental Sciences And Research Center, Bhopal had organized a camp on WORLD NO TOBACCO DAY for construction workers, in Bhopal city.

Post graduate of the department Dr. Nikhil Thorat and Dr. Ayushi Sharma along with final year student Himanshu Ahirwar, Apoorva Muldiyar help them to learn the dangers of using tobacco and nicotine. They should slowly stop the unwanted usage of tobacco as these lead to mouth ulcers and to the extreme end cancer and strokes. They were taught the harmful effects of second-hand smoke. The harmful effects that the usage brings to the smoker, his family and community were explained in a manner that they might understand. We also helped them understand that second-hand smoke can also cause side effects.

1. **“Covaxin Vaccination Camp” (14/02/2022)** for the age group 15 to 18 years was organized by Mr. Shashikant Sharma, Asso. Professor and Mrs. Meenu Vaidya, Admin Officer jointly with the Office of the Collectorate Bhopal at SORT on 14th February 2022. This camp was organized for the students of SORT to create awareness on the rapid spread of the viral infection and the safety measures to be taken. This was a part of the inoculation campaign **“Har ghar Dastak”** launched by the chief ministers.

With a motive to encourage people to take their second dose of the COVID and as gaining immunity against the corona virus requires a person to get two full doses of the COVID vaccine, a Mega Vaccination camp was organized at School of Research and Technology. A lot of students and faculty were vaccinated for the same.

2. Mr. Shashikant Sharma, faculty of Mechanical Engineering and NSS Officer conducted a **“Plantation drive” (22/04/2022)** with an objective to raise awareness among people to protect the environment by looking at various problems regarding scorching issues of environmental pollution, drastic climatic changes, green house effects, global warming etc. among human beings. The activity was conducted at SORT and involved 50 Diploma students under the NSS Scheme on 22<sup>nd</sup> April 2022.

### 3. The Kaliyasot Cleaning Drive (18 May 2022)

Dr. Piyush Kumar Soni, Vice-Principal and Head-ME and Dr. Sanjay Kumar, Asst. Professor have conducted a **Hands-on Workshop** on “The Kaliyasot Cleaning Drive: Practical Sessions on Cleaning the Under-bridge Dam Area” jointly with the Kabadiwala.com firm on 28<sup>th</sup> May 2022. The campaign aimed to promote waste segregation, on-site segregation and recycling of waste. 30 NCC cadets from SORT enthusiastically participated and carried out this drive in the identified areas.

### 4. AIDS Awareness camp (01/12/2021)

The camp was organized in School of Research and Technology. The main motive of the camp was to spread awareness among the youth about the drastic effect of drugs that can be the main cause to spread of HIV. This disease is a chronic manageable disease and free consultancy and treatment is provided in the hospital.

### 5. Fire and Safety (12/11/2021)

As fire is a risk in every building-whether you sleep, study, or work there-you should always have an escape plan. Keeping this in mind an awareness camp was organized on Fire and Safety at School of Research and Technology. You may need to escape within a few minutes of a fire's start, so your safe exit depends on immediate warning from smoke alarms and advance planning of escape routes. The experts from the government department explained and gave a demonstration for the same.

### 6. Joy of Giving (08 Jan. 2021 )

‘There’s more joy in giving than receiving’. This is a festival that aims at spreading joy and happiness among those who need help and support, and for each of us to experience the joy in giving. All the faculty of SORT contributed in this activity and donated the items of daily use such as- clothes, footwear, books and stationery, utensils etc. Later on all the things were distribute to the needy people of nearby villages.
