## **Mentor Mentee Policy**

### **Objectives:**

1. To ensure that students perform academically and professionally up to their potential through mutual support and a congenial learning environment.
2. Academic dean of concerned program may develop mentor mentee programme according to the number of students, faculty members and needs of the discipline as well as of the programme.

### **Following are the guidelines for the Mentor- Mentee Programme:**

- A committee along with Dean/HOI, respective program will monitor the Mentor-Mentee programme for successful implementation of the program to achieve the ultimate goal.
- Concerned Dean of the program will look after assignment of the mentee to the mentor.
- Dean/ Head of the Institute will appoint the teacher of the program of specific professional year for the students of that profession year
- The ratio of the mentee: mentor will be as per the ratio of total students of that professional year: teachers teaching the students of respective professional year students.
- In the starting of the academic year, mentees will be allotted mentor by Dean/ Head of the Institute and the tenure of the mentor mentee will be upto completion of that professional year.

### **The mentor- mentee program**

- Students shall be assigned to Mentors (Teaching faculty) right from the first year of the programme.
- A mentor shall have a reasonable number of students as Mentees.
- The mentees preferably (may not be possible in some cases) be attached to the same mentor for the entire duration of the programme of study.
- The mentor shall meet the mentees regularly and record the outcome of the meeting in the hard copy or in the software, if available.
- The mentor shall identify the students performing exceptionally well in curricular or co-curricular activities and report to the head of the institute/department for providing further motivation to advanced/gifted learners.
- The mentor shall also identify the students whose performance/attendance is below par. The mentor shall interact with the student and try to find out the cause of the problem or an indifferent behavior. If required the mentor will involve the parents, head of the Dean/HOI for reforming the student.

**Areas of Review:**

**a) Attendance:** The mentor shall observe and monitor the attendance of the mentee. He/she shall advise and take necessary follow up actions with regard to students who do not meet the attendance norms of the University.

**b) Academic Matters:** The mentor shall also keep a track of the academic performance of mentees including continuous assessment, term end examination and help the mentee through counseling or by arranging remedial teaching, if necessary.

**c) Behavioral and discipline matters**

**d) Health and physical well being**

**e) Achievements, talents and co-curricular activities**

**Duties/ Responsibilities of Mentor**

a) Introduce and discuss the concept of mentor-mentee system with the assigned mentees

b) Call a meeting of all mentees and record their necessary details in the designated form, note any specific requirement of a student and discuss with them the complete schedule of future meetings.

c) Keep a track of the attendance, academic performance and behavioral aspects of the student by interacting with the exam department and the hostel authorities etc.

d) Support students academically and emotionally

e) Contact parents to inform the progress of their ward, whenever required

f) Maintain a record of the progress made by the identified underperforming students and take remedial actions wherever required

g) To guide students and also to arrange for remedial teaching, if required
