SCHOOL OF RESEARCH AND TECHNOLOGY People's University, Bhopal Outreach Activity

1. kaliyasot dam cleaning

2. Joy of Giving

3. Covaxin Vaccination Camp

4. Plantation drive

5. AIDS ,Awareness camp

6. Fire and Safety

SCHOOL OF RESEARCH AND TECHNOLOGY

People's University, Bhopal

1. **“Covaxin Vaccination Camp” (14/02/2022)** for the age group 15 to 18 years was organized by Mr. Shashikant Sharma, Asso. Professor and Mrs. Meenu Vaidya, Admin Officer jointly with the Office of the Collectorate Bhopal at SORT on 14th February 2022. This camp was organized for the students of SORT to create awareness on the rapid spread of the viral infection and the safety measures to be taken. This was a part of the inoculation campaign **“Har ghar Dastak”** launched by the chief ministers.

With a motive to encourage people to take their second dose of the COVID and as gaining immunity against the corona virus requires a person to get two full doses of the COVID vaccine, a Mega Vaccination camp was organized at School of Research and Technology. A lot of students and faculty were vaccinated for the same.

2. Mr. Shashikant Sharma, faculty of Mechanical Engineering and NSS Officer conducted a **“Plantation drive” (22/04/2022)** with an objective to raise awareness among people to protect the environment by looking at various problems regarding scorching issues of environmental pollution, drastic climatic changes, green house effects, global warming etc. among human beings. The activity was conducted at SORT and involved 50 Diploma students under the NSS Scheme on 22nd April 2022.

SCHOOL OF RESEARCH AND TECHNOLOGY

People's University, Bhopal

3. The Kaliyasot Cleaning Drive (18 May 2022)

Dr. Piyush Kumar Soni, Vice-Principal and Head-ME and Dr. Sanjay Kumar, Asst. Professor have conducted a **Hands-on Workshop** on “The Kaliyasot Cleaning Drive: Practical Sessions on Cleaning the Under-bridge Dam Area” jointly with the Kabadiwala.com firm on 28th May 2022. The campaign aimed to promote waste segregation, on-site segregation and recycling of waste. 30 NCC cadets from SORT enthusiastically participated and carried out this drive in the identified areas.

4. AIDS Awareness camp (01/12/2021)

The camp was organized in School of Research and Technology. The main motive of the camp was to spread awareness among the youth about the drastic effect of drugs that can be the main cause to spread of HIV. This disease is a chronic manageable disease and free consultancy and treatment is provided in the hospital.

SCHOOL OF RESEARCH AND TECHNOLOGY

People's University, Bhopal

5. Fire and Safety (12/11/2021)

As fire is a risk in every building-whether you sleep, study, or work there-you should always have an escape plan. Keeping this in mind an awareness camp was organized on Fire and Safety at School of Research and Technology. You may need to escape within a few minutes of a fire's start, so your safe exit depends on immediate warning from smoke alarms and advance planning of escape routes. The experts from the government department explained and gave a demonstration for the same.

6. Joy of Giving (08 Jan. 2021)

‘There’s more joy in giving than receiving’. This is a festival that aims at spreading joy and happiness among those who need help and support, and for each of us to experience the joy in giving. All the faculty of SORT contributed in this activity and donated the items of daily use such as- clothes, footwear, books and stationery, utensils etc. Later on all the things were distribute to the needy people of nearby villages.

2. People's College of Dental Sciences

People's University

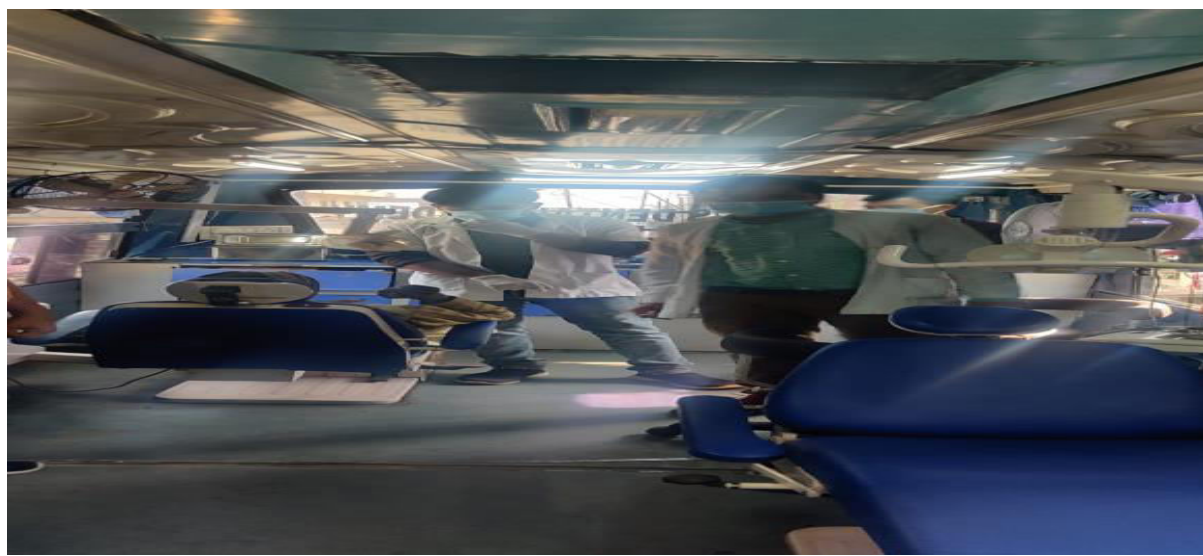

Annual Report of Camp (2021-22)

People's College of Dental Sciences & Research Center, Bhopal organized 28 free oral health check-up & awareness camps in the session of 2021-22 in which our 396 students and 89 staff members participated. Every camp held under the supervision of staff members of PCDS & RC and our team also includes interns, students, nursing staff, and non-teaching staff. Department of Public Health Dentistry of PCDS & RC actively working on conducting dental health awareness campaigns and our other departments also give their immense contribution to that. Our all camps were initiated with the importance of dental health awareness talk, including oral health education with stressing on tooth decay and gum diseases and measures of prevention, brushing technique demonstrations on models, and tobacco cessation. Our team especially interns were highlighted about the eating patterns and food choices which cause tooth decay. We have also conducted some treatment camps in which we included oral prophylaxis, extractions of mobile teeth, restorations, and for complex treatment we refer camps participants to our college.

विश्व स्वास्थ्य दिवस पर नाटक का आयोजन

✓ विश्व स्वास्थ्य दिवस 7 अप्रैल को मनाया जाता है। इसी अवसर पर इस वर्ष पीपुल्स कॉलेज ऑफ नर्सिंग एण्ड रिसर्च सेंटर भोपाल के एम.एस.सी. नर्सिंग के प्रथम वर्ष के छात्र-छात्राओं द्वारा एक नाटक प्रस्तुत किया गया। इस वर्ष की थीम " हमारा ग्रह, हमारा स्वास्थ्य " को नजर में रखते हुए यह प्रस्तुति दी। लोगों को इस नाटक के जरिये ये बताया गया कि कैसे कूड़ा फैलाने से बीमारियाँ फैलती हैं, तथा अगर हम स्वच्छता का पालन करें तो अपने वातावरण के साथ-साथ अपने स्वास्थ्य को भी सुरक्षित रख सकते हैं। पानी बचाने के महत्व तथा पेड़ काटने से पर्यावरण पर होने वाले असर को समझाया गया। इन सब कारणों से हमारे ग्रह पर होने वाले असर को भी समझाया गया कि कैसे सब एक दूसरे पर निर्भर हैं तथा जिसके कारण मनुष्यों को अपने स्वास्थ्य की हानि उठानी पड़ती है। इस नाटक का उद्देश्य आम नागरिकों के बीच अपने ग्रह और अपनी सेहत को लेकर जागरूकता फैलाना था, जिसके चलते लोग अपने और अपने ग्रह के प्रति जिम्मेदार बनें। इसके कारण सबकी हैल्थ अच्छी रहे। लोग स्वास्थ्य संबंधित सतर्क रहें तथा दुनिया भर में फैली गंभीर बीमारियों की रोकथाम की जा सके।

नाटक का आयोजन प्रो. ले. कर्नल रेखा रानी गुप्ता के नेतृत्व और एम.एस.एन. डिपार्टमेंट के मार्गदर्शन में किया गया।

विश्व तंबाकू निषेध दिवस

बीएससी नर्सिंग स्टूडेंट्स ने तंबाकू के नुकसानों से कराया अवगत

रिपोर्टर • IamBhopal

Mobile no. 9827080406

पीपुल्स कॉलेज ऑफ नर्सिंग एंड रिसर्च सेंटर में विश्व तंबाकू निषेध दिवस का आयोजन प्राचार्या प्रो. (ले.कर्मल) रेखा रानी गुप्ता के नेतृत्व में किया गया। कम्युनिटी हेल्थ डिपार्टमेंट की एचओडी डॉ. प्रो. वेनिस एम.डेविड, प्रो. शीतल दास और असोसिएट प्रो. दीपिका सिंह एवं बीएससी नर्सिंग द्वितीय वर्ष के छात्र-छात्राओं के सहयोग से सबरी नगर अर्बन क्षेत्र भोपाल में आयोजित किया गया। हर वर्ष 31 मई को विश्व तंबाकू निषेध दिवस यानी वर्ल्ड नो टोबैको डे

मनाया जाता है। इस वर्ष इसकी थीम पर्यावरण की रक्षा करें है। इस दिन को मनाने का मुख्य उद्देश्य तंबाकू की वजह से स्वास्थ्य को होने वाले नुकसान के बारे में जागरूकता फैलाना है।

इसका सेवन करने से कैंसर, हृदय रोग, स्ट्रोक और डायबिटीज जैसी गंभीर स्वास्थ्य समस्याओं का सामना करना पड़ता है। हर साल लाखों की संख्या में लोगों की मौत तंबाकू के सेवन के कारण होती है। लोगों को इसके नुकसान के बारे में बताते हुए तंबाकू छोड़ने के लिए प्रेरित किया गया है। युवाओं को भी इस बारे में समझाया गया है।

REPORT OF EVENT

CONSTITUENT UNIT - Peoples College of Nursing & Research Centre Bhopal

Type of Activities: – World Malaria Day “ADVANCE EQUITY. BUILD RESILIENCE. END MALARIA”

Date: 25/04/2022

Title of Event: Mind Mapping Competition: “ADVANCE EQUITY. BUILD RESILIENCE. END MALARIA”

Venue: PCNRC

Name of Resource Person: Prof. (Lt.Col) Rekha Rani Gupta Dean & Principal PCNRC

Name Coordinator: Dr Venice M. David, Mrs. Sheetal Das (Asso.Prof), Mrs. Deepika Singh (Asst.Prof)

Collaborator – Department of community Health Nursing (PCNRC)

No. of Participants: 50 Students

Brief about the event (Minimum 50 words)

It is World Malaria Day 2021 and we grieve over the 384,000 preventable malaria deaths in the WHO India in 2020. It is observed prior to the onset of monsoon and transmission season with the objective to enhance the level of awareness and encourage community participation through mass media campaigns and inter-personal communication (IPC). The theme for this year is “ADVANCE EQUITY. BUILD RESILIENCE. END MALARIA” because every malaria case is preventable, and every malaria death is unacceptable. World Malaria Day is an occasion to highlight the need for continued investment and sustained political commitment for malaria prevention and control. Mind Mapping is a useful technique that supports learning, improves information recording, shows how different facts and ideas are related, and enhances creative problem solving. Total 50 students participate in events and secured 1 position by Mr. Vikas Chandra B.Sc Nursing IV year, 2 position Mr. Manirathan B.Sc Nursing IV year and Ms. Priyanka Pawar B.Sc Nursing III year and 3rd position secured by Mr. Prashant Kumar B.Sc Nursing IV year.

Outcome/Impact of event/activity in brief – The aims to raise awareness about global efforts to control the spread of malaria and celebrate the improvements that have been made in the areas of treatment, prevention and education.

मलेरिया रोग का बोझ घटाने नवाचार अपनाएं

पीपुल्स कॉलेज ऑफ नर्सिंग एंड रिसर्च सेंटर में मना विश्व मलेरिया दिवस

पीपुल्स संवाददाता • भोपाल

editor@peoplesamachar.co.in

पीपुल्स कॉलेज ऑफ नर्सिंग एंड रिसर्च सेंटर ने विश्व मलेरिया दिवस पर प्रतियोगिता आयोजित की। इस मौके पर कम्युनिटी हेल्थ डिपार्टमेंट प्रमुख डॉ. प्रो. वेनिस मारिया डेविड, प्रो. शीतल दास एवं एसो. प्रो. दीपिका सिंह के नेतृत्व में प्रतियोगिता हुई। नर्सिंग कॉलेज की प्राचार्या ले. कर्नल प्रो. रेखा रानी गुप्ता के मार्गदर्शन में कार्यक्रम हुआ। विश्व स्वास्थ्य संगठन द्वारा इस मौके पर विश्व मलेरिया दिवस द्वारा थीम 'मलेरिया रोग के बोझ को कम करने और जीवन बचाने

नवाचार का उपयोग करें' रखी गई। इसमें वैश्विक उन्मूलन लक्ष्यों को पाने में मदद करने में नवाचार महत्वपूर्ण भूमिका निभाएगा। बीएससी (नर्सिंग), एमएससी (नर्सिंग) एवं जीएनएम के छात्र-छात्राओं द्वारा मलेरिया एवं इसकी रोकथाम के बारे में बताया गया। सभी छात्र-छात्राओं ने प्रतियोगिता

में बढ़चढ़ कर भाग लिया। इसके विजेताओं को प्रमाण पत्र वितरित किए गए। उन्होंने बताया कि विश्व मलेरिया दिवस कोविड महामारी के दौर में मलेरिया की रोकथाम, नियंत्रण, उन्मूलन की आवश्यकता के बारे में जागरूकता बढ़ाता है। यह मलेरिया के खिलाफ लड़ाई में उपलब्धियों का भी प्रतीक है।

PEOPLE'S UNIVERSITY, BHOPAL

Brief about the event (Minimum 50 words)

National Safe Motherhood Day 2022: National Safe Motherhood Day is observed every year on April 11 as a day to raise awareness about adequate access to care during pregnancy, childbirth, and postnatal period. The day aims to work towards providing better medical facilities to pregnant or new mothers to reduce the maternal mortality rate. National Safe Motherhood Day 2022 marks the 19th anniversary of the day's first observation in 2003 on the proposal of the White Ribbon Alliance (WRAI), an alliance of more than 1800 Non-Governmental organisations (NGO) focused on ending maternal mortality and improving maternal and newborn health.

Miming involves acting out a story through body motions, without the use of speech. In earlier times, in English, such a performer would typically be referred to as a mummer. Miming is distinguished from silent comedy, in which the artist is a character in a film or skit without sound. **On National Safe Motherhood Day 11th April 2022 Miming Act was Celebrated in Gynaec ward of People's Hospital at 11:00 am to 11:30am. The theme was "Remain at home amid coronavirus, protect mother and infant from coronavirus".**

Outcome/Impact of event/activity in brief –

The goal of the National Safe Motherhood Program is to reduce maternal and neonatal morbidity and mortality and to improve the maternal and neonatal health through preventive and promotive activities as well as by addressing avoidable factors that cause death Ensuring safe motherhood during pregnancy, childbirth and postpartum period.

1. **Maternal Health situation in India**
2. **Ensuring safe motherhood**

REPORT OF EVENT

CONSTITUENT UNIT - Peoples College of Nursing & Research Centre Bhopal

Type of Activities: – Seminar on World Tuberculosis Day:

Theme- “Invest to End TB. Save Lives

Date: 23/3/2022

Title of Event: Seminar on World Tuberculosis Day: Theme- “Invest to End TB. Save Lives

Venue: PCN&RC Auditorium

Name of Resource Person: Prof. (Lt.Col) Rekha Rani Gupta Dean & Principal PCNRC

Name Coordinator: Dr Prof. Venice M. David , Prof Sheetal Das, Mrs. Deepika Assoc, Prof. PCN&RC

Collaborator –Department of community Health Nursing, Peoples college of Nursing and Research Centre, Bhopal

No. of Participants: 150 students Benefecries.

Brief about the event (Minimum 50 words)

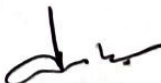

Diagnose and treat 40 million people with TB by 2022 including 3.5 million children and 1.5 million people with drug-resistant TB. This is in line with WHO's overall drive towards Universal Health Coverage and the WHO Director General's flagship initiative “**24 March**” is World Tuberculosis Day. Each year we commemorate World TB Day to raise public awareness about the devastating health, social and economic consequences of tuberculosis (TB) and to step up efforts to end the global TB epidemic. The Stop TB Partnership is sharing today the theme for this year's World TB Day: “**Invest to End TB. Save Lives** to convey the urgent need to invest resources to ramp up the fight against TB and achieve the commitments to end TB made by global leaders. This is especially critical in the context of the COVID-19 pandemic that has put End TB progress at risk, and to ensure equitable access to prevention and care in line with WHO's drive towards achieving Universal Health Coverage.

Outcome/Impact of event/activity in brief – “Invest to End TB. Save Lives.” to build public awareness about the global TB epidemic and efforts to eliminate the disease. because Every day, over 4100 people die from TB and nearly 30 000 people fall ill with TB disease – despite it being preventable and treatable. TB is the leading cause of death of people with HIV and a major contributor to antimicrobial resistance. World TB Day is an opportunity to focus on the people affected by this disease and to call for accelerated action to end TB suffering and deaths, especially in the midst of the ongoing COVID-19 crisis. This type of small initiative will help them for better understanding about the disease and its management.

Brief about the event (Minimum 50 words)

9th Bhopal Vigyan Mela was organised by M.P. Council of Science & Technology and Vigyan Bharti from 7th to 10th January 2022. In this Vigyan Mela PSU company like NTPV, BHEL, GAIL and SAIL etc participated with their science models. Students of SOPR, People's University made innovative working science models like Sonar Glasses, Portable Ventilator, Tablet Coating Machine, Haemodialyzer, Sanitizer Machine and Herbal Liquid Balm with colourful charts and poster. Students presented their models to guests with detailed explanation. Students of B Pharm 3rd Semester also won first prize in science quiz competition which is conducted by NTPC. The main purpose of the vigyan mela was to provide a platform for students where they showed their innovative and scientific ideas. SOPR Students were enthusiastic for this event and took active participation in the vigyan mela. The coordinator for this event from School of Pharmacy and Research, Peoples University was Dr. Bhaskar Kumar Gupta, Principal SOPR, Mrs. Rajni Dubey, Associate Professor, Mr. Hiresht Dutt, Associate Professor and Mr. Prem Samundre, Assistant Professor. Dr. Bhaskar Kumar Gupta, Principal SOP&R congratulated the students for their hard work and motivated them, urged all the students for active participation in college and university level programs and events.

Outcome/Impact of event/Activity in brief: -

The main outcomes of this 9th Bhopal Vigyan Mela event for the students was focused on scientific and innovative working science models which can be used to improve explanations, generate discussion, make predictions and provide visual representations of concept etc. They were enthusiastic about their innovative ideas and future scope of research field.

Brief about the event (Minimum 50 words)

Winter Donation Camp was organised by School of Pharmacy & Research, People's University on 31st December 2021. Approximately 450 Blankets was distributed to the needy peoples by the faculty members and NCC cadets of SOP&R, People's University at various places of Ayodhya Nagar and Rasla Khedi. Along with this distribution food items were presented to the needy as refreshment and awareness for prevention of Corona Virus was also done. Under the guidance of Dr. Bhaskar Kumar Gupta, Principal SOP&R and all staff the donation camp was successfully ended with a smile on each and every faces.

Outcome/Impact of event/activity in brief:

On this Special program we distribute blanket among the peoples who live under the sky to help them fight the winter. There is no better gift than providing warm clothing to needy during the winter season, All the needy peoples and kids present for the camp were happy with the donation received from School of Pharmacy & Research, People's University.
