**Venue:** Auditorium, People's college of dental sciences and research centre, Bhopal.

**Name of Coordinators:** Dr. Santosh Kumar Singh, Dr. Anu Narang, Dr. Pankaj Mishra, Dr. Kalpana Sharma, Dr. Sushil Kishnani

**No. of Participants** (*faculty member and Student separately*): *Faculties of all the departments, PG's of all the departments, Interns*

**Brief about event** (*minimum 50 words*)

**Dr. Suchi Pandey** 1<sup>st</sup> year PG of the department of conservative and endodontics presented on topic interdisciplinary approach. The event took place on 28<sup>th</sup> July 2022. It was a very informative session and well appreciated by staff.

## **REPORT OF EVENT**

**CONSTITUENT UNIT-** Department of Public Health Dentistry

**Date:** (From – To): 02/09/2021

**Title of Event:** First session of Interdisciplinary series RESET, REFORM AND RESEARCH

**Lecture title:** Research formulation and design

**Venue:** PCDS Auditorium

**Name of Chief Guest/ Other Guests/ Resource Person/Speakers:** Dr. Richa Jain

**Name of Coordinator:** Dr. Sahana S

**Collaborator/ Sponsor if any:** Nil

**Number of participants:**

*Faculty members:* 26

*Students:* 85

### **Brief about the event:**

The Department of Public Health Dentistry organized weekly lectures on 'Reset, Reform and Research'. The session initiated with the first lecture on **“Research formulation and design”** by **Dr. Richa Jain**, Senior scientist from Centre for Science and Research Development, Peoples University. The basics of research methodology and the formulation of research question as well as the process of scientific research were explained. The programme was live recorded and Facebook live of the same was broadcasted.

### **Outcome/ Impact of event/ activity in brief:**

Audience were able to understand the basic methods in formulation of research methods as well as were enlightened about the research designs which could produce more research outcomes from the faculties and students.

## REPORT OF EVENT

**CONSTITUENT UNIT-** Department of Public Health Dentistry

**Date:** (From – To): 23/09/2021

**Title of Event:** Final session of Interdisciplinary series RESET, REFORM AND RESEARCH

**Lecture title:** How to do a literature search for medical and dental research

**Venue:** PCDS Auditorium

**Name of Chief Guest/ Other Guests/ Resource Person/Speakers:** Dr. Arathi Menon, Dr. Nikhil Thorat, and Dr. Ayushi Sharma

**Name of Coordinator:** Dr. Sahana S

**Collaborator/ Sponsor if any:** Nil

**Number of participants:**

*Faculty members:* 24

*Students:* 89

**Brief about the event:**

The Department of Public Health Dentistry organized weekly lectures on ‘Reset, Reform and Research’. The session initiated with the final lecture on **how to do a literature search for medical and dental research**” by the post graduates of the department. **Dr. Arathi Menon, Dr. Nikhil Thorat, and Dr. Ayushi Sharma** explained and demonstrated about various data search engines commonly used in research. The session was enlightening for beginners in research to familiarise with the basics of literature search. Advanced search using Boolean operators and key words were well explained with live demonstration. The programme was live recorded and Facebook live of the same was broadcasted.

**Outcome/ Impact of event/ activity in brief:**

Audience were able to understand the the basics of literature search which could produce more research outcomes from the faculties and students.

## REPORT OF EVENT

### CONSTITUENT UNIT -

**Type of Event/Activity** – Interdisciplinary scientific activity (Department of Oral Medicine & Radiology ) Week 1

**Date** (From - To): 6/01/2022

**Title of Event:** Integrating disciplines

**Venue:** PCDS auditorium

**Name(s) of Chief Guest/ Other Guests / Resource Person/ Speaker(s):** Dr. Priyanka Deshmukh, Dr Akhil Trivedi, Dr Vertika Dubey (PG Resident 3<sup>rd</sup> year), Ananya Nair, Divya Vergese (Intern)

**Name Coordinator(s):** Department of Oral Medicine & Radiology

**Collaborator/Sponsor (if any)**

**No. of Participants (Faculty member and Student separately)- 38 Faculty, 48- interns and PG students**

**Brief about the event (Minimum 50 words)**

An interdisciplinary scientific programme was organised on online google platform on 6<sup>th</sup> January 2022 by the Department of Oral Medicine & Radiology. PG students presented a case titled “united we stand divided the patient falls” Interns also presented a case titled “Now u see now u don’t” The programme was attended by about 86 faculty members, PG students and interns.

**Outcome/Impact of event/activity in brief:** The interdisciplinary scientific programmes are highly beneficial for students as well as the faculties in getting an insight of various topics of various disciplines.

## PROFESSIONAL DEVELOPMENT PROGRAMME REPORT

09/05/2022

- **Type of Activity:** Faculty Development Programme
- **Title of the Activity:** FACULTY DEVELOPMENT PROGRAMME ON COMMUNICATION SKILLS (Building Self-confidence and Vocabulary Enhancement)
- **No. of Participants** : 40
- **Date** : 2<sup>nd</sup> to 9<sup>th</sup> May, 2022
- **Key-Speaker** : Ms. Anamika Sharma

**Brief about the event:** A faculty member is the driving force behind the institution, and therefore, assisting that person to be as productive as possible will make the entire institution more productive.

Considering this a one-week 'Faculty Development Programme' on "Enhancement of Effective Communication Skills" has been conducted at SORT. The objective of this program is to identify the linguistic barriers of the faculty and how to overcome those through a continual process.

Day 1- The session started with the inauguration of the program by Dr. Piyush Kumar Soni, Officiating Principal - SORT, who inaugurated the session by lighting the lamp. In his welcome address, he congratulated the faculty for their active participation. He also emphasized on the importance of effective communication skills as a necessary tool in teaching learning process, and that such programs will be continued in future. The session was continued further by the resource person of the program, Ms. Anamika Sharma, with an ice-breaking session on self-introduction and a brief of any preferred topic by the participant faculty. The objective was to judge their confidence and grammatical accuracy. A personal

analysis on Strength, Weakness, Opportunity and Challenge was done in the first day session. This helped the participants to realize the positive and negative aspects of their personality.

Day 2 and 3- The primary focus was to remove the hesitation of the participants. They were asked to describe their favourite person. An activity was conducted for describing things. Hypothetical situations were also given to participants for description.

Day 4 and 5- Vocabulary enhancement and use of refined words were stressed upon. Different activities were conducted in which all participated with full zeal and enthusiasm.

Day 6- The week ended with a feedback session that gave an opportunity to the participants to share their experience. They showed exuberance in their opinions about and suggestions for the week.

**Outcomes:**

As educators effective communication skills with self confidence and vocabulary enhancement are important requirements of their job. The FDP benefitted the participants in improving their self-confidence and daily communication among the students and faculty.

Ayodhya By-pass Road, Bhanpur, Bhopal - 462037

## PROFESSIONAL DEVELOPMENT PROGRAMME REPORT

09/06/2022

- **Type of Activity:** Faculty Development Programme
- **Title of the Activity:** FACULTY DEVELOPMENT PROGRAMME ON COMMUNICATION SKILLS (Public speaking skills and strategies)
- **No. of Participants** : 35
- **Date** : 2<sup>nd</sup> to 9<sup>th</sup> June, 2022
- **Key-Speaker** : Ms. Anamika Sharma

**Brief about the event:** The FDP has been organized to hone the skills of members of faculty in order to deal with the rapid changes and shifting paradigms in the pedagogical approaches. The objective of the FDP was to develop proficiency in Speaking Skills of the faculty required in the teaching-learning process by providing them real life situations.

Day 1- The session was started by the resource person of the program, Ms. Anamika Sharma, with an ice-breaking activity to judge the speaking skills of the participants. She emphasized on the fact that in the changing scenario English skills have become important and the globalization demands more students with such skills. She motivated the faculty towards speaking English as in order to make students job-ready communication skills are the pre-requisite conditions. The students are hired on the basis of their soft skills along with hard skills. And it is the utmost responsibility of the faculty to provide them with such an environment where the students can nurture their skills. It is possible only if the faculty possess desired skills. The day was further continued with the description of various skills and strategies related to public speaking.

Day 2 and 3 - The two days continued with active involvement of faculty in various activities related to public speaking.

Day 4 and 5- Various activities were conducted related to different language functions. The emphasis was on social communication and speaking across the curriculum.

Day 6- The week ended with a feedback session that gave an opportunity to the participants to share their experience. They showed exuberance in their opinions about and suggestions for the week.

**Outcomes:**

As educationalists effectual communication with good public speaking skills are important requirements of their job. The FDP benefitted the participants in improving their public speaking skills to connect with the students in a better way. More importantly, improved ability to speak in public further improved their communication skills.
