Brief about the event (Minimum 50 words)

ON THE OCCASION OF AJADI KA AMRIT MAHOTSAVA **trees** has never made more on, a looming crash of the stock market and the uncontrolled printing of paper money, are all reasons to grow trees are considered a hard asset, historically outperforming inflation, providing a stable long-term investment alternative to the cyclical nature of retail investments such as real estate and the stock market. Depending on market conditions, an investment in trees can double or triple in less than a decade. **We offer different investment options including growing trees on your land or ours**, enhancing the value of a farm woodlot, increasing the value of small land holdings, investing in a temperate or tropical tree timber partnership, investing in a carbon credit program, investing in a tree project to combat climate change, growing a legacy forest, investing in a conservatory to protect endangered trees in America and around the world or building a tree nursery business. We can help you navigate between them so you can choose the right investment for you.

It was on 15th August 1947 that India was declared independent from British colonialism, and the reins of control were handed over to the leaders of the Country. India's gaining of independence was a tryst with destiny, as the struggle for freedom was a long and tiresome one, witnessing the sacrifices of many freedom fighters, who laid down their lives on the line.

It was this time when I learned the most exciting Training activity in NCC, the Guard of Honour (GoH). We started our preparations for the GoH competition, I feel very happy to share my experience about cultural

events in NCC. We used to perform different cultural activities at various occasions during the year. These cultural activities bring all the cadets together and instil in us the spirit of comradeship. These practices teach us how to work in a group and assist one another. At times we had differences of opinions during practices but had to adjust our egos to make those programmes successful one. I have learned one thing in life that at times we have to give up our egos so as to have a healthy relationship.

Brief about the event (Minimum 50 words)

Kargil Vijay Divas is celebrated on 26 July every year to commemorate India's victory over Pakistan in the Kargil War in the year 1999. During this war, the Indian Army evicted Pakistani intruders and recaptured Tiger Hill and other posts as a part of 'Operation Vijay.' The conflict lasted for more than 60

PEOPLE'S UNIVERSITY, BHOPAL

days at Kargil in Ladakh. This day is observed every year to pay homage to the hundreds of Indian soldiers who were martyred in the war. Let's take a look at the history, significance, and ways to commemorate this day. In an attempt to defuse the situation, both countries signed the Lahore Declaration in February 1999, promising to provide a peaceful and bilateral solution to the Kashmir conflict. During the winter of 1998–1999, some elements of the Pakistani Armed Forces were covertly training and sending Pakistani troops and paramilitary forces, into territory on the Indian side of the line of control (LOC). The infiltration was code named “Operation Badri”. The aim of the Pakistani incursion was to sever the link between Kashmir and Ladakh and cause Indian forces to withdraw from the Siachen Glacier, thus forcing India to negotiate a settlement of the broader Kashmir dispute. Pakistan also believed that any tension in the region would internationalize the Kashmir issue, helping it to secure a speedy resolution. Yet another goal may have been to boost the morale of the decade-long rebellion in Indian State of Kashmir by taking a proactive role.

Outcome/Impact of event/activity in brief cadets come to know about the bravery of Indian army how they fought and make us proud.
