KALEIDOSCOPE -BATCH 2021-22

INTRODUCTION OF FIDE

With a Mission to inculcate the integrated, multidisciplinary, horizontal and vertical learning in students, people's university started a Fellowship in Dental Education (FIDE) Programme which is first of its kind in Central India.

AIM -The aim of the program is to design and implement a fellowship program in dental education. The prime goal of this programme is to ensure that participants gain the competencies needed to meet the entrustable and professional activities expected of health profession's educators and providing the opportunity to develop as a effective and thriving educators and mentors of the dentistry. This fellowship program allows the participants to experience and practice the innovative and effective educational methods and to enhance their teaching competence. The series of lectures and hands-on segments will be tailored to meet the advancing trends in dental education and will give an exciting experience for the participants.

ELIGIBILITY REQUIREMENTS- Dental educators involved in UG and PG teaching & Graduate dental students with basic research knowledge or background.

COMMENCEMENT & DURATION- Fellowship in shall be a part - time programme of duration of 12 months. (including examination) The fellowship shall be comprised of 6-8 Modules containing more than 80 hours with yearlong Online mode and assessment
