Message From The
CHANCELLOR

It gives me immense pride to present the Annual Report 2024–25 of People's University. This report is a reflection of our collective journey, capturing the academic, research, and co-curricular milestones achieved over the year.

At People's University, we remain steadfast in our mission to nurture knowledge, innovation, and values that shape professionals capable of addressing global challenges. The past year has been marked by significant achievements in academics, research endeavors, community engagement, and student development. These accomplishments are the outcome of the dedicated efforts of our faculty, the enthusiasm of our students, and the unwavering support of our stakeholders.

As we continue to build on our legacy, we remain committed to fostering a culture of excellence, inclusivity, and holistic growth. I am confident that with our shared vision and perseverance, People's University will scale even greater heights in the years to come.

I extend my heartfelt appreciation to all faculty members, staff, students, and partners whose dedication and contributions have strengthened the University's reputation as a center of learning and innovation.

With best wishes for continued success.

Message From The

PRO - CHANCELLOR

It gives me immense pride to present the Annual Report 2024–25 of People's University. It is with great pleasure that I present the Annual Report 2024–25 of People's University. This report is not only a record of our academic, research, and cultural achievements but also a reflection of the University's unwavering commitment to excellence and innovation.

Over the past year, People's University has continued to strengthen its position as a hub of quality education and research. Our faculty have excelled in nurturing young minds, our students have brought laurels through their dedication and talent, and our initiatives in research and community engagement have created meaningful impact.

As Pro-Chancellor, I firmly believe that education is not just about imparting knowledge but also about fostering values, skills, and a spirit of inquiry that prepares students to meet the challenges of a rapidly changing world. At People's University, we are committed to creating an environment that encourages holistic growth, inclusivity, and lifelong learning.

I extend my heartfelt appreciation to the leadership team, faculty, staff, and students for their relentless dedication and hard work. Together, we are shaping a brighter future and strengthening the University's vision of excellence.

With best wishes.

Message From The

VICE CHANCELLOR

DR. HARISH RAO
PEOPLE'S UNIVERSITY, BHOPAL

It is with immense pride and satisfaction that I present the Annual Report 2024–25 of People's University. This document encapsulates the academic progress, research contributions, and cultural endeavors that define the spirit of our University.

The past year has been a journey of innovation, growth, and resilience. Our faculty members have worked tirelessly to impart quality education, foster research, and mentor students. Our students, in turn, have excelled in academics, co-curricular activities, and community initiatives, bringing recognition and pride to the University.

At People's University, we remain committed to providing an environment that nurtures creativity, critical thinking, and holistic development. With a focus on interdisciplinary learning and global exposure, we continue to prepare our students to become responsible citizens and competent professionals.

These accomplishments are possible only through the collective efforts of our faculty, staff, students, alumni, and well-wishers. I express my deep appreciation for their dedication and support in shaping the University's journey.

As we look ahead, I am confident that People's University will continue to uphold its legacy of excellence and contribute meaningfully to society through education, research, and innovation.

About The UNIVERSITY

People's University, located in Bhopal, Madhya Pradesh, was established with the vision of providing high-quality education that not only focuses on academic excellence but also nurtures holistic development. It is incorporated and established by the State Government Notification on 4th May 2011 by Madhya Pradesh Legislature through an amendment in Madhya Pradesh Niji Vishwavidyalaya (Sthapana Avam Sanchalan) Adhiniyam-2007 as Madhya Pradesh Act (No.18 of 2011). University has grown into one of the leading educational institutions in central India known for its work in education, healthcare, and social initiatives.

The inception of People's University was driven by a deep commitment to bridge the gap between industry requirements and academic learning. With the goal of offering world-class educational opportunities, the University started by offering a range of undergraduate, postgraduate, diploma and doctoral programs. Its primary mission is to create an environment where students can achieve academic success, develop professionally, and contribute positively to society.

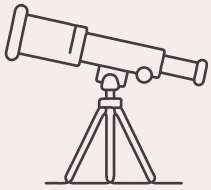

Recognized and approved by various regulatory bodies (NMC, DCI, INC, PCI, BCI, State Paramedical Council) & accrediting bodies (SIRO, ISO 9001-2015, NABH (Entry level), AIU) People's University has continuously evolved, expanding its academic offerings, infrastructure, and research initiatives. Over the years, it has built a reputation for excellence in diverse fields such as **Medicine, Dentistry**, **Nursing, Engineering**, **Management**, **Hotel Management**, **Law**, **Pharmacy**, **Life Sciences**, **Humanities**, and **Social Sciences.**

People's University emphasizes interdisciplinary learning—an approach that encourages students to integrate knowledge from different fields, preparing them to think critically and address real-world challenges. The University is also dedicated to fostering **research and innovation**, with numerous collaborations with industries, research centers, and government bodies to drive development and technology.

People's University boasts state-of-the-art facilities, including modern classrooms, laboratories, libraries, hostels, stadium, auditoria, basketball courts, badminton courts, volleyball courts, and a well-equipped gymnasium— all designed to create a conducive learning environment. From its humble beginnings to becoming a renowned name in higher education, People's University is proud of the strides it has made in shaping the future of thousands of students. With a focus on **quality education**, **research**, and **community service**, the University continues to empower students, helping them become skilled professionals and responsible citizens.

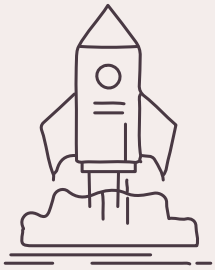

Looking ahead, People's University remains dedicated to fostering academic excellence, personal growth, and social responsibility, ensuring that its students are equipped to thrive in a rapidly changing world and be always proud of their alma mater.

Events, Activities & Workshops

ORIENTATION – 'DEEKSHARAMBH' 2024–25

Deeksharambh – Orientation Programme

The People's Institute of Management & Research organized Deeksharambh, an orientation program to welcome the new batch of 2024–25. The event aimed to help students gain clarity on their academic journey, goals, and career paths.

The program began with a Teeka Ceremony, where seniors greeted newcomers with traditional tilak, followed by Saraswati Vandana to invoke blessings for wisdom and learning.

The event was graced by Dr. Neerja Malik (Registrar), Prof. Akhilesh Mittal (Dean – Academic Affairs), and Dr. Sunil Agrawal (Principal, PIMR), along with faculty, staff, and students.

PLANTATION DRIVE AT BOYS' HOSTEL

The students of the Boys' Hostel actively participated in a plantation drive, undertaken as part of the **"Clean Environment, Green Environment"** initiative.

Industrial Visit – Parle-G Factory

Students of the People's Institute of Management & Research (PIMR) visited the Parle-G factory for a practical learning experience.

They received a warm welcome and toured the facility, observing the biscuit production process, advanced machinery, and strict quality control protocols.

Factory representatives explained each stage of manufacturing, highlighting food safety and hygiene standards.

The visit effectively connected classroom learning with real-world operations, offering students valuable insights into industrial production and management practices.

Seminar on Drug Abuse – Nasha Mukt Bharat Abhiyaan

The People's Institute of Management & Research organized a seminar under the Nasha Mukt Bharat Abhiyaan (NMBA) to raise awareness about the dangers of drug abuse.

The event featured personal testimonies from individuals in recovery, offering powerful insights into addiction and healing. An interactive workshop equipped students with strategies to resist peer pressure, and a resource fair provided information on counseling and rehabilitation services.

The seminar fostered awareness, encouraged informed decision-making, and promoted a supportive, drug-free campus environment.

National Anti-Ragging Day – Pledge Ceremony

On 16th August 2024, PIMR observed National Anti-Ragging Day with a pledge ceremony reaffirming its commitment to a safe, respectful, and inclusive campus environment.

Students, faculty, and staff pledged to oppose all forms of ragging, harassment, and intimidation, and to uphold values of dignity, compassion, and mutual respect.

The event reinforced the institute's dedication to fostering academic excellence, personal growth, and emotional well-being in a fear-free learning atmosphere.

Hariyali Mahotsav – Tree Plantation Drive

On 22nd August 2024, PIMR celebrated Hariyali Mahotsav with a vibrant tree plantation drive themed "Green Guardians of the Year." Students from various streams actively participated, planting saplings across the campus with enthusiasm and a sense of environmental responsibility.

The event featured awareness sessions on tree conservation and concluded with the Green Guardian Pledge, where each student committed to caring for their sapling throughout the year.

The initiative not only enhanced campus greenery but also promoted ecological awareness, echoing the spirit of "One Student, One Tree."

National Sports Day

On 23rd August 2024, PIMR students enthusiastically participated in various sports activities including cricket, volleyball, kabaddi, chess, carrom, table tennis, hurdle race, and badminton. Events were open to both boys and girls, fostering inclusivity and team spirit.

Organized annually by People's University, the celebration promotes physical fitness, discipline, and the importance of sports in maintaining a healthy and balanced lifestyle.

Centre For Scientific Research And Development

ENCOURAGING INNOVATIVE RESEARCH AND SCIENTIFIC LEARNING THROUGH COLLABORATION, QUALITY EDUCATION, AND SOLUTIONS THAT BENEFIT SOCIETY.

Message From The HEAD

It is a matter of great pride to present the Annual Report 2024–2025 of the Centre for Scientific Research and Development. Over the past year, the Centre has made significant strides in promoting research-oriented education, nurturing scientific curiosity, and supporting the all-round development of students. I commend the unwavering commitment of our faculty and the active involvement of students, whose efforts have consistently elevated both academic and co-curricular standards. I am confident that CSRD will continue to be a driving force in advancing the university's reputation for scientific excellence and innovation.

PROF. DR. SUBHASH J. BHORE
CSRD, Bhopal

ABOUT CENTRE FOR SCIENTIFIC RESEARCH AND DEVELOPMENT

The Centre for Scientific Research and Development (CSRD) was inaugurated in 2008 by the then-President of India. Since its establishment, CSRD has evolved into a hub of cutting-edge research and academic excellence at People's University. It is equipped with state-of-the-art laboratories and infrastructure to support multidisciplinary research and higher education.

CSRD houses several specialized laboratories, including the Biochemical Research Laboratory, Human Genetics Laboratory, Immunology Laboratory, Molecular Biotechnology Laboratory, and Cell Technology Laboratory. These are actively used by researchers, scientists, and postgraduate students for various academic and research purposes. Additionally, the central research facility provides access to advanced equipment and resources, enabling high-quality research across disciplines.

To foster innovation and research culture, CSRD emphasizes faculty development programs and promotes ICT-based learning. A research-conducive environment at People's University has been cultivated through an innovative framework with the following objectives:

(1) Achieve excellence in research,
(2) Encourage training and application of research for human welfare,
(3) Make research a key agenda for faculty and postgraduate students,
(4) Diversify and strengthen quality research across all constituent units,
(5) Build strong horizontal and vertical linkages for collaborative research.

Under the umbrella of CSRD, the Department of Biotechnology and Microbiology was established. It offers B.Sc. Biotechnology, M.Sc. Biotechnology, M.Sc. Microbiology, and Ph.D. in Life Sciences programs. The department aims to foster holistic student development by nurturing critical thinking, a passion for learning, and professional competencies for successful employment. With an experienced and committed faculty team and excellent infrastructure, the department empowers students to achieve their full academic and professional potential.

CSRD has also taken the initiative to address the training needs of medical, dental, paramedical, and technical institutions. It offers foundational courses in biomedical sciences, teaching technologies for faculty, research methodology, and more. In addition to students of People's University, CSRD welcomes external students to participate in vocational training programs, capacity-building workshops, and academic seminars, contributing to a broader academic and research network.

The Centre is equipped with a range of advanced research instruments, including:

- Flow cytometer
- Thermal cyclers (PCR)
- Gel documentation system
- ELISA reader
- Gas chromatography
- Atomic absorption spectrophotometer (AAS)
- High-performance liquid chromatography (HPLC)
- CO_2 incubators
- Biosafety cabinets
- Micro-liter UV/Vis spectrophotometer
- Ultra-sonicator
- Cooling centrifuge, and more.

These facilities support research in areas such as microbial biotechnology, ethnopharmacology, and animal cell culture, among others.
We strongly encourage all students, researchers, and interns to fully utilize the facilities, mentorship, and opportunities available at CSRD. The Centre remains committed to nurturing the next generation of scientific leaders and innovators.

School of Pharmacy and Research

Providing Excellence In The Field Of Pharmaceutical Sciences By Innovative Quality Education Through Participative Learning And Promotion Of Research Activities

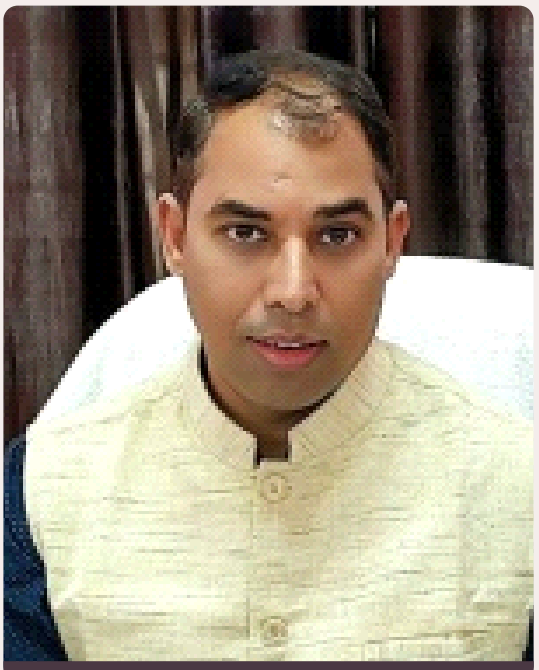

Message From The

PRINCIPAL

It gives me immense pride to present the Annual Report 2024–25 of the School of Pharmacy and Research, People's University, Bhopal. This year reflects our commitment to excellence in education, research, and holistic development.

Our faculty and students have excelled in academics, research, and co-curricular activities, earning recognition at national and international levels while contributing to society through outreach and health initiatives.

I sincerely thank the management, faculty, staff, students, and stakeholders for their support and dedication. With this collective spirit, I am confident we will continue to achieve new milestones and strengthen our position as a center of excellence in pharmaceutical sciences.

Dr. Bhaskar Kumar Gupta
SOPR, BHOPAL

About School of Pharmacy And Research

The School of Pharmacy and Research was established in 2007-08. It is a constituent unit of People's University, approved by the Pharmacy Council of India (PCI), and ISO certified. The main aim of the institute is to provide quality education to aspiring students in B. Pharm, M. Pharm, and D. Pharm programs. The institute maintains high standards, setting the benchmark in the field of Pharmaceutical Sciences. The pharmaceutical industry is growing rapidly, and there is an increasing global demand for pharmacists. With this in mind, the institution is dedicated to becoming a center of excellence in healthcare, producing highly knowledgeable and globally competitive pharmacists.

SOPR is a research-oriented institute offering a Ph.D. in Pharmaceutical Sciences to explore new possibilities in various fields of pharmacy. Students who have completed a Master's degree in Pharmacy can apply for admission.

The institute has a dedicated library department, well-stocked with a rich collection of textbooks, reference books, e-journals, magazines, audio/video resources, CD-ROMs, research reports, and a digital library, covering all areas of pharmacy. The library is equipped with computers connected via LAN, with Wi-Fi and internet facilities available. We also have fourteen well-equipped and functional laboratories for practical sessions, as well as to promote and foster a research environment among the students.

We have a well-equipped hospital on campus that provides high-quality services around the clock. For practical exposure, we offer hospital and medical training to our students. Our department also offers various indoor and outdoor sports activities, including a stadium, badminton court, etc. The pharmacy department is equipped with all the necessary facilities and equipment to help students maintain physical fitness and good health. Our teams participate in Zonal, National, and Inter-University sports events.

The School of Pharmacy and Research has a dedicated seminar hall (M. L. Schroff Seminar Hall) for functions and cultural activities, with a seating capacity of 250 and digital projection facilities. There are separate hostels for boys and girls on a sharing basis. The rooms are spacious, clean, airy, and well-maintained. SOPR also facilitates a Scholarship and Financial Aid Scheme for students who take admission at our department, supported by various government funding departments of their respective states. We also encourage our students to participate in NCC, NSS, and Yoga courses for overall development.

The School of Pharmacy and Research focuses on the overall development and nurturing of students, including academic, social, emotional, and physical growth. Academic excellence has been a key focus at SOPR since its inception. The synergy between academic excellence and professional development is fostered to deliver exceptional future pharmacy professionals capable of meeting the global challenges of the modern era.

OUR ALUMNI

SOPR believes that our alumni are our lifelong assets. We strive to maintain strong connections with our alumni and keep them updated on new activities and events organized at the institution. Their feedback is always welcome, and we wish them all the best for their future endeavors.

CULTURAL ACTIVITIES/EXTRACURRICULAR

In addition to academic activities, the School of Pharmacy and Research places a strong emphasis on extracurricular development. Cultural activities provide social and moral benefits to the society. Students at SOPR are given full opportunities to explore their talents through various clubs (e.g., Cultural, Photography, Literary, Social Media, Sports, People's Elucidator, etc.) and showcase them at cultural events organized by the institution and other prominent universities and organizations.

OUR PLACEMENTS

The institution is committed to achieving 100% placement for eligible students at reputed pharmaceutical companies such as Alembic, Alinger, Lupin, Piramal, Sun Pharma, Vmarsh Healthcare, Fresenius Kabi, GSK, Eris Pharmaceuticals, Alkem, Cipla, Glenmark, and Macleods. The institute also offers communication skill and personality development classes, GPAT/GRE preparation courses for interested students, and many other value-added programs for the overall development of our students.

PEOPLE'S INSTITUTE OF LEGAL STUDIES

"PROVIDING EXCELLENCE IN COMPETENCY-BASED LEGAL EDUCATION, FOSTERING GLOBAL STANDARDS, AND INSTILLING ETHICAL VALUES AMONG STUDENTS TO MEET THE EVOLVING LEGAL AND JUSTICE NEEDS OF SOCIETY."

Message From The
PRINCIPAL

It is with great pride that I present the Annual Report 2024–25 of the People's Institute of Legal Studies. This year marked significant achievements in academics, legal awareness, and student development. We organized national workshops, court visits, awareness campaigns, and cultural events, all aimed at enriching students' practical and ethical understanding of law. I extend my heartfelt thanks to the faculty, staff, and students for their dedication and active participation. Together, we are committed to producing socially responsible and competent legal professionals.

Dr. Ravi Kant Gupta
PILS, BHOPAL

ABOUT PEOPLE'S INSTITUTE OF LEGAL STUDIES

People's Institute of Legal Studies (PILS), located in the heart of Bhopal, is a prestigious institution dedicated to nurturing future legal professionals. Established with the vision to provide high-quality legal education.

Academic Programs

PILS offers a range of undergraduate and postgraduate legal programs that are designed to equip students with both theoretical knowledge and practical skills. The institute's flagship programs include:

B.A. LL.B (Hons.)

A comprehensive five-year integrated program designed to provide students with a deep understanding of law and legal principles while also focusing on social sciences, humanities, and jurisprudence.

LL.B

A three-year professional law degree for graduates from any stream, this program prepares students to navigate the complexities of the legal system.

Postgraduate Programs

For students aiming to specialize further, PILS offers LL.M courses (1 and 2 years) in various fields of law, such as Constitutional Law, Criminal Law, Cyber Law and International Law, among others. These programs are tailored to enhance research, analysis, and critical thinking skills.

Faculty

PILS is known for its esteemed faculty, comprising experienced legal practitioners, scholars, and experts who bring a combination of theoretical insight and practical expertise to the classroom. The faculty members are committed to fostering a learning environment that encourages analytical thinking, problem-solving, and the application of law in real-world scenarios.

Infrastructure

The institute is equipped with state-of-the-art facilities, including spacious classrooms, modern computer labs, a vast library, and comfortable study spaces. PILS also boasts a moot court hall, which is an essential part of the curriculum, enabling students to engage in mock trials and enhance their advocacy skills.

Co-curricular Activities

At PILS, students are encouraged to participate in various co-curricular and extracurricular activities to develop a well-rounded personality. The institution regularly organizes:

Legal Aid Clinics

The institution runs legal aid clinics, providing free legal assistance to marginalized communities, which serves both as a social service and as an experiential learning opportunity for students. People's Institute of Legal Studies, Bhopal, stands as a beacon of legal education, combining tradition with modernity and producing future leaders of the legal profession. With a focus on academic excellence, practical exposure, and holistic development, PILS is the ideal place for aspiring law professionals to embark on their journey toward success in the legal world.

Moot Court

The Moot Court at People's Institute of Legal Studies, People's University, is a dynamic platform designed to refine the advocacy skills of aspiring legal professionals. It provides students with a simulated courtroom experience, allowing them to engage in legal research, drafting, and oral arguments.

With a well-equipped infrastructure and experienced faculty guidance, the moot court prepares students for real-world legal challenges by enhancing their analytical thinking, argumentation, and public speaking skills. Regular moot court competitions and workshops foster a spirit of legal excellence, making it an integral part of the academic curriculum at the institute.

This initiative not only strengthens students' courtroom abilities but also instills confidence, professionalism, and ethical values, ensuring they are well-prepared for successful careers in law.

Cultural Events Conducted

Fresher's Party

The Fresher's Party was a lively event filled with excitement, music, and enthusiasm, bringing seniors and juniors together in celebration. The chief guests were Mr. Sanjay Kumar Singh Rajput (DSW) and Dr. Mamta Ghatol, HOD of Humanities and Social Sciences. The program was led by Dr. Prince Kumar Gupta, HOD of Legal Studies, and was organized by the Department of Legal Studies, People's University, Bhopal.

Annual Function – LEXICON 2025

The Annual Function LEXICON 2025 was held on 12th April 2025 with enthusiastic participation from students and faculty. The event featured cultural performances, a sports award ceremony, and addresses by dignitaries including chief guest Dr. Neerja Mallick and Principal Dr. Ravikant Gupta.

Highlights included dance, music, and shayari, with awards presented for various sports activities. The program concluded with a vote of thanks by Mr. Bhanu Pratap Singh, celebrating student achievements and fostering a spirit of unity.

Sports Meet

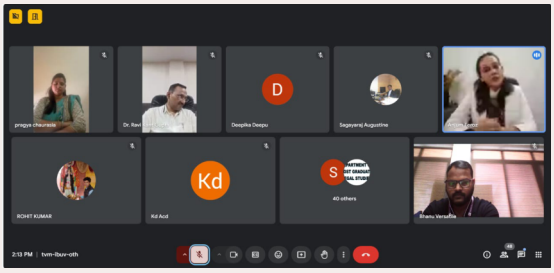

The Sports Meet of the People's Institute of Legal Studies and the Department of Humanities and Social Sciences was held on 8th April 2025 with active student participation.

Events included shot put, frisbee throw, disc throw, 100m race, spoon-lemon race, carrom, chess, and badminton, conducted under the supervision of Dr. Prince Kumar Gupta.

Principal Dr. Ravikant Gupta emphasized the role of sports in holistic student development. Outstanding performers were honored with medals, certificates, and trophies, recognizing their dedication and teamwork.

Workshop: Protection of Consumer Rights

On 22nd March 2025, the People's Institute of Legal Studies organized an online special lecture on "Protection of Consumer Rights" to raise awareness about consumer laws and legal remedies.

The session featured addresses by Dr. Megha Vijaywargia (Chief Patron), Prof. Dr. Harish Rao (Patron), and guest speaker Adv. Anjum Feroz, who explained consumer dispute redressal mechanisms. Dr. Ravi Kant Gupta highlighted the role of legal education in empowering consumers.

Moderated by Dr. Pragya Chaurasia and coordinated by Mr. Bhanu Pratap Singh and Mrs. Yashi Tomar, the session saw 146 participants from various locations and concluded with a vote of thanks by Dr. Prince Kumar Gupta. The event successfully promoted consumer rights awareness and legal literacy.

National Workshop: Use of Bhartiya Languages in Legal Education

A two-day national workshop on "Use of Bhartiya Languages in Courts and Legal Education" was held on 14–15 June 2025 at People's University, organized by Bhartiya Bhasha Abhiyan in collaboration with the People's Institute of Legal Studies (PILS).

Hon'ble Justice Vivek Agrawal (Judge, MP High Court) inaugurated the event and emphasized the role of Indian languages in making justice more accessible. The workshop saw participation from legal scholars and professionals nationwide.

From PILS, Dr. Pragya Chaurasia and Mr. Dipankar Narain presented papers addressing challenges in incorporating Indian languages into legal education and judicial processes. The event concluded with a resolution to promote the use of Bhartiya languages in the legal system for inclusive and culturally rooted justice.

Road Safety Awareness Programme

On 30th May 2025, the People's Institute of Legal Studies, in collaboration with Event Tree Organization, conducted a Road Safety Awareness Programme with enthusiastic participation from law students.

The event aimed to promote responsible road behavior and educate students on traffic rules and the dangers of reckless driving. Principal Dr. Ravi Kant Gupta addressed the gathering, urging students to become ambassadors of road safety.

Hosted by Dr. Pragya Chaurasia and Mrs. Yashi Tomar, the program included informative presentations and interactive discussions. The session effectively raised awareness and encouraged safer practices among youth.

Nasha Mukti Abhiyan

On 26th June 2025, the People's Institute of Legal Studies, in collaboration with the University Grants Commission (UGC), organized an awareness program under the Nasha Mukti Abhiyan, marking the International Day Against Drug Abuse and Illicit Trafficking.

Principal Dr. Ravi Kant Gupta addressed the audience, highlighting the harmful effects of drug abuse and encouraging students to lead awareness efforts in their communities. A pledge-taking ceremony followed, where students, faculty, and staff committed to living a drug-free life.

The program reinforced the institute's commitment to building a healthy, responsible society through awareness, education, and collective action.

Police Station Visit – Nishatpura

On 20th March 2025, first-semester B.A. LL.B. students from the People's Institute of Legal Studies visited Nishatpura Police Station, Bhopal, for hands-on exposure to law enforcement.

Led by Principal Dr. Ravikant Gupta and guided by Sub-Inspector Mr. Komal Singh and Mr. Mukesh Bharati (SCM), the students were accompanied by Dr. Pragya Chaurasia and Mr. Bhanu Pratap Singh.

The visit aimed to connect classroom learning with practical procedures. Students explored FIR filing, investigation processes, law and order maintenance, and rights of the accused and victims. They visited key sections like the FIR desk, investigation room, holding cells, and control room, gaining valuable insights into real-world application of BNS, BNSS, and BSA.

Visit to National Lok Adalat

On 10th May 2025, nine law students from the People's Institute of Legal Studies, accompanied by Dr. Pragya Chaurasia and Mr. Bhanu Pratap Singh, visited the National Lok Adalat at [insert court name/location] to gain practical insight into Alternative Dispute Resolution (ADR) mechanisms.

Students were welcomed by court officials and briefed on the structure, purpose, and legal framework of Lok Adalats. They observed live proceedings involving cases such as motor accident claims, cheque bounce matters (Section 138 NI Act), bank recoveries, matrimonial disputes, and compoundable offenses.

The visit highlighted the less adversarial, compromise-driven nature of Lok Adalats and their role in reducing court burdens while ensuring accessible justice. Students witnessed how conciliators facilitated mutual settlements and how agreements were formalized.

An interactive session concluded the visit, where students reflected on the importance of ADR and expressed interest in legal aid and grassroots justice. The faculty emphasized the value of such experiences in strengthening practical legal education.

Law Day Celebration

On 26th November 2024, the People's Institute of Legal Studies celebrated National Law Day. The event was graced by Prof. Akhilesh Mittal (DAA, People's University) and Dr. Mamta Ghatol (HOD, Humanities and Social Sciences).

Under the guidance of Dr. Prince Kumar Gupta, students participated in a poster-making competition and presented informative content on the Constitution, Indian legal history, and constitutional development.

PEOPLE'S DENTAL ACADEMY

Message From The DEAN

Dr. Sanjeev Tyagi
PDA, BHOPAL

It is with great pride and satisfaction that I present the Annual Report for the academic year 2024–2025. This year has been marked by academic excellence, clinical advancement, and holistic development at People's Dental Academy.

Our dedicated faculty, vibrant student community, and supportive administrative staff have collectively contributed to elevating our standards in dental education and patient care. We have made significant progress in integrating digital dentistry, encouraging evidence-based clinical practice, and enhancing research capabilities among students and faculty alike.

Workshops, outreach camps, and interdepartmental collaborations have enriched the learning experience and expanded the impact of our community service. I am especially proud of our students who continue to demonstrate exceptional skill, empathy, and commitment - hallmarks of true healthcare professionals.As we look ahead, People's Dental Academy remains committed to innovation, academic rigor, and societal contribution. I thank the university leadership, faculty, students, and partners for their unwavering support in our mission to shape the future of dentistry.

ABOUT PEOPLE'S DENTAL ACADEMY

In a world where dental education is transforming, People's Dental Academy (PDA) stands tall as a trailblazer.

Dedicated to elevating dental education in India to global standards, PDA not only promotes but also imparts cutting-edge dental knowledge. This institute is not just a gateway to learning; it's a hub of research, a champion of values, and a crucible for future dental pioneers.

PDA's commitment to dental research is unparalleled. With a diverse range of research facilities, the academy becomes a playground for innovation across various dental domains. Its approach to oral care research is comprehensive, making strides that resonate on a global scale.

However, PDA doesn't focus solely on academic excellence—it cultivates character. The academy champions values that shape responsible and compassionate dental professionals. By instilling strong social and moral values in its students, PDA is nurturing not just skilled dentists, but ethically grounded individuals.

At the core of PDA's mission lies an unwavering dedication to providing an exceptional learning journey for aspiring dentists. The academy's vision extends beyond textbooks—it's about developing dental and oral care skills through immersive, hands-on learning across the many dimensions of dentistry. This holistic approach ensures PDA graduates are equipped not only with technical expertise but also with a deep understanding of the diverse facets of dental practice.

A distinctive hallmark of PDA is its commitment to integrity. The institution recognizes that integrity is the cornerstone of professionalism in oral healthcare. By nurturing this core value, PDA shapes future dental care providers who excel in clinical skills while upholding the highest ethical standards.

Key features of People's Dental Academy include:

- Innovative teaching, research, scholarship, and community service
- BDS and MDS courses recognized by the Dental Council of India, New Delhi, and the Ministry of Health & Family Welfare
- ISO 9001:2015 certified institution
- Highly qualified and experienced faculty
- Fellowship program in Forensic Odontology and Certificate Course in CBCT offered under People's University
- World-class equipment including CBCT, LASER, OPG, and a fully equipped all-ceramic casting lab for research purposes
- Ranked among the Top 10 Dental Colleges in India by The Academic Insight Magazine – 2024
- Recognized as one of the Top 10 Promising Dental Colleges in India by Higher Education Review Magazine – 2024

Memorandum of Understanding (MoU)

People's University has signed an MoU with ECO Academy to conduct weekly scientific activities featuring national and international faculty.

As part of this collaboration, an online Masterclass in Orthodontics is held every Wednesday, offering advanced clinical insights and expert-led discussions. The sessions cover a wide range of topics, including case presentations, treatment planning, and complex surgical orthodontic procedures.

Led by distinguished faculty from India and abroad, these Masterclasses provide an exceptional learning opportunity for continuous professional development.

World No Tobacco Day Awareness Week 2025

The Department of Public Health Dentistry, People's Dental Academy, Bhopal, observed World No Tobacco Day from **May 21 to June 5, 2025,** under the theme "Unmasking the Appeal: Exposing Industry Tactics on Tobacco & Nicotine Products." Guided by **Dr. Sanjeev Tyagi** and led by **Dr. Swapnil Jain** and **Dr. Vijayta Sharva,** the initiative included public education, healthcare sensitization, and student engagement through creative activities. Highlights included a rangoli display and theme-based flex banners at the OPD, attracting patients and visitors while spreading awareness on the dangers of tobacco and industry manipulation.

May 26, 2025 – Awareness Session, School of Pharmacy, People's University.

Under the leadership of Dr. Swapnil Jain and Dr. Vijayta Sharva, the event featured a tobacco cessation training, a skit on health risks, a pledge to abstain from tobacco, and an oral health screening camp for pharmacy students.

May 27, 2025 – Awareness Program, Anant Spinning Mill, Mandideep

A community outreach programme for factory workers was conducted by the Department of Public Health Dentistry, People's Dental Academy, led by **Dr. Vikas Mishra** and Coordinator **Mr. Ajay Tripathi. Dr. Shiksha Nahar** delivered an audiovisual session on the dangers of tobacco, occupational risks, and cessation methods, followed by an oral screening camp conducted by postgraduate students and interns to detect early pre-malignant lesions. The program concluded with a tobacco cessation oath led by **Dr. Nidhi Baranwal.**

May 29, 2025 – Public Health Event, Sanjeevani Polyclinic, Govindpura

In collaboration with CMHO **Dr. Prabhakar Tiwari** (JP Hospital) and **Dr. Sanghkriti Bhardwaj** (Dental Officer), the Department of Public Health Dentistry, PDA, conducted an awareness programme coordinated by Dr. Vijayta Sharva and Dr. Vikas Mishra. Dr. Shiksha Nahar led an audiovisual session on tobacco hazards and cessation methods, followed by a skit by students, oral screening, counselling, and a pledge administered by Dr. Tiwari. This public–private model effectively engaged industrial workers and urban residents in preventive healthcare.

May 30, 2025 – Poster Making Competition

People's Dental Academy organized a poster-making competition on the WHO theme “Unmasking the Appeal: Exposing Industry Tactics on Tobacco & Nicotine Products.” Students creatively depicted the tobacco industry's manipulative strategies, with selected posters displayed across campus to sustain awareness throughout the week.

May 31, 2025 – Awareness & Screening, Union Bank of India, Bhopal

At the Union Bank of India Regional Office, Dr. Nidhi Baranwal conducted a tobacco awareness session for employees, covering health risks, workplace smoking, and cessation methods. Postgraduate students and interns carried out oral screenings under the coordination of Dr. Vikas Mishra, highlighting the role of corporate settings in workplace wellness and public health promotion.

June 5, 2025 – Valedictory & Felicitation Ceremony

The week-long campaign concluded with a ceremony at People's Dental Academy, where Dr. Sanjeev Tyagi (Dean) commended the efforts of faculty, postgraduates, interns, and coordinators. Awards were presented for best posters, outstanding contributions to awareness sessions, and top performances in skits and rangoli / flex preparation. The event celebrated teamwork, creativity, and commitment to public health advocacy and community engagement.

PEOPLE'S COLLEGE OF MEDICAL SCIENCES AND RESEARCH CENTRE

"PROVIDING EXCELLENCE IN THE FIELD OF MEDICINE BY INNOVATIVE QUALITY EDUCATION THROUGH PARTICIPATIVE LEARNING AND PROMOTION OF RESEARCH ACTIVITIES".

Message From The DEAN

Dr. Rajesh Gaur
PCMS, BHOPAL

It is my privilege to present the Annual Report 2024–2025 of People's College of Medical Sciences & Research Centre. This year, we have made notable strides in academics, research, clinical care, and community outreach, reflecting our commitment to excellence in medical education and patient service.

Our faculty and students have excelled in research and innovation, while our hospital has continued to deliver compassionate, high-quality healthcare. Outreach programs and health camps have further strengthened our connection with the community.

I sincerely thank our faculty, staff, students, and the management of People's University for their dedication and support in achieving these milestones. Together, we remain committed to shaping skilled, ethical, and compassionate healthcare professionals.

ABOUT PEOPLE’S COLLEGE OF MEDICAL SCIENCES AND RESEARCH CENTRE

People's College of Medical Sciences & Research Centre, a constituent unit of People's University, Bhopal, is committed to excellence in medical education, research, and patient care. Established with the vision of producing competent, ethical, and compassionate healthcare professionals, the college integrates rigorous academic training with hands-on clinical experience.

The institution offers undergraduate, postgraduate, and doctoral programs in various medical specialties, supported by a team of highly qualified and dedicated faculty. State-of-the-art laboratories, well-equipped lecture halls, and a rich medical library provide an ideal environment for learning and innovation.

PCMS&RC is closely linked with a modern, multi-specialty teaching hospital that delivers high-quality healthcare services to the community. The hospital serves as a hub for clinical training and research, equipped with advanced diagnostic and therapeutic facilities. Regular health camps, community outreach initiatives, and awareness programs reflect the institution's strong social commitment.

Over the years, the college has earned recognition for its academic achievements, research output, and contribution to public health. Guided by its mission to serve humanity through education, service, and innovation, PCMS&RC continues to nurture the next generation of medical professionals who will lead with skill, integrity, and empathy.

SCHOOL OF RESEARCH AND TECHNOLOGY

"PROVIDING EXCELLENCE IN THE FIELD OF ENGINEERING BY INNOVATIVE QUALITY EDUCATION THROUGH PARTICIPATIVE LEARNING AND PROMOTION OF RESEARCH ACTIVITIES".

Message From The PRINCIPAL

It is a matter of pride to present the Annual Report of the School of Research and Technology for 2024–25. This year, our students and faculty have excelled in academics, research, and innovation, while actively engaging in workshops, seminars, and outreach activities.

We remain committed to nurturing technical competence, creativity, and ethical values in our students, preparing them to meet future challenges and contribute meaningfully to society. I extend my gratitude to the management, faculty, staff, and students for their dedication and collective efforts in achieving these milestones.

Dr. Deepti Agrawal
SORT, BHOPAL

ABOUT SCHOOL OF RESEARCH AND TECHNOLOGY

The School of Research & Technology (SORT) is a prominent engineering institution under **People's University, Bhopal**. Established in 2007-08, SORT has rapidly ascended to become one of the top engineering institutions in the state. We intend to provide high-quality technical education, foster research, and promote innovation in various engineering and technology fields. It is recognised by the University Grants Commission (UGC) and holds ISO certification, reflecting its commitment to quality education.

Facilities and Infrastructure: The campus spans 84 acres of lush greenery, providing a conducive environment for learning. Facilities include well-equipped laboratories, air-conditioned computer labs, a dedicated library, and separate hostels for boys and girls. Additionally, the campus houses amenities such as a bank branch with an ATM, post office, utility shops, food court, hospital, cafeteria, auditorium, and gymnasium.

Educational Approach: SORT emphasizes a balanced blend of theoretical knowledge and practical exposure. The curriculum is designed to enhance imagination, creativity, and technical skills. Students are encouraged to engage in projects, presentations, workshops, and research activities to foster innovation and entrepreneurship.

Placement and Training: The institution is dedicated to providing professional training through value-added courses and Training & Placement (T&P) classes, aiming to ensure placements in top multinational companies. The core strength lies in its pedagogy, which includes conceptual teaching and practical learning experiences.

Expert Talk on "Ecosystem Balance & Biodiversity Conservatio	22/08/2024	The Department of Biotechnology at SORT, People's University, Bhopal, organized an Expert Talk on "Ecosystem Balance & Biodiversity Conservation." The session was led by Dr. Dheeraj Rathore, Assistant Professor at the Central University of Gujarat. The event was attended by students from the Biotechnology, Microbiology, and Pharmacy departments.The program commenced with a warm welcome, where Dr. Adarsh Sachdeva, Head of the Institute, honored Dr. Rathore with a sapling. This was followed by the traditional lamp lighting ceremony and a Saraswati Vandana, invoking blessings for the event. Dr. Rathore's insightful talk delved into the critical importance of maintaining ecosystem balance and conserving biodiversity, emphasizing the role of scientific innovation in these areas. The session concluded with a memento being presented to Dr. Rathore as a token of appreciation for his valuable contribution, and a vote of thanks was delivered by Dr. Shikha Jain.  
One-day workshop on Nutrition Day	02/09/2024	The one-day workshop on Nutrition Day at SORT was designed to raise awareness about the importance of nutrition for better health. All the first and second year B. Tech/ diploma students likely participated in this workshop. This workshop aims to address the multifaceted challenges of malnutrition and promote healthier lifestyles. Various aspects about the impact of nutrition on the health were discussed. Ms Riya Goyal from PIHM was a guest speaker of this event. The event was coordinated by Dr. Seema Saini, Assistant Professor, SORT. 
Teachers Day Celebration	05/09/2024	The School of Research and Technology conducted an exciting and enthusiastic celebration of Teacher's Day. After an auspicious lamp lighting ritual, students sang Sarasvati Vandana to offcially begin the festival. Everyone expressed their gratitude to Dr. Sarvepalli Radhakrishnan with flowers. Dr. Adarsh Sachdeva, HOI address the students and staff . He exquisitely and admirably described the technical aspects of teachers' day. The students and faculties cut a cake to commemorate the day. Teachers also took part in a few team-building exercises, in which they all enthusiastically and vigorously participated.   स्टूडेंट्स ने टीचर्स को गुलाब देकर मनाया शिक्षक दिवस
Hindi Diwas Celebration	14/09/2024	Rashtriya Hindi Diwas is celebrated every year on 14th September to showcase the importance of the day and the language. The day commemorates the event when Hindi was adopted as one of the of fi cial languages of India. This day was celebrated in School of Research and Technology with great zeal and enthusiasm by faculty and students. They all came up with self-composed poetry, doha recitation, and sharing life experiences. Few activities related to Hindi language were conducted for faculty and students.  
Engineer's Day Celebration	15/09/2024	The School of Research and Technology in Bhopal celebrated Engineers' Day on September 15, 2024, to honor the birth anniversary of Sir M. Visvesvaraya, a notable engineer. The event aimed to inspire students and highlight the important role of engineers in building the nation. The celebration began with a tribute to Sir Visvesvaraya, followed by an opening speech from the institute's Director, Dr. Adarsh Sachdeva. He emphasized the importance of engineering innovations and encouraged students to strive for excellence in their careers. The day featured various engaging activities, including a technical quiz and a project exhibition. Students showcased innovative projects on renewable energy, robotics, and smart city ideas, which were well-received by attendees. Overall, the celebration honored engineering professionals and inspired students to develop creative solutions for real-world issues, making Engineers' Day 2024 a memorable occasion   पीपुल्स इंजीनियरिंग कॉलेज में मना हिंदी व इंजीनियरिंग दिवस कविता, नाटक व टेक्निकल क्विज आयोजित

Annual Function 2024-25

The Annual Function AAYAM 2025 was held from May 21–24, 2025, at the SORT Campus and Big Auditorium, People's University. The four-day celebration began with Pooja and floral offerings to Goddess Saraswati, followed by a series of technical events, sports, cultural performances, and the FETE. Around 290 students participated with great enthusiasm, and winners, including meritorious students, were felicitated during the prize distribution. The event was successfully coordinated by Dr. Deepti Agrawal.

People's College Of Dental Sciences And Research Centre

"PROVIDING EXCELLENCE IN THE FIELD OF DENTISTRY BY INNOVATIVE QUALITY EDUCATION THROUGH PARTICIPATIVE LEARNING AND PROMOTION OF RESEARCH ACTIVITIES AND ORAL HEALTH CARE".

Message From The DEAN

DR. PARIMALA KULKARNI
PCPS, BHOPAL

It gives me immense pleasure to present the Annual Report 2024–25 of People's College of Dental Sciences and Research Centre, People's University, Bhopal. This year has been marked by significant academic, clinical, and research achievements, reflecting the dedication of our faculty, staff, and students.

At PCDSRC, we remain committed to imparting quality dental education, advancing research, and extending compassionate oral health care to the community.

Our students continue to excel in academics, clinical training, and outreach programs, upholding the institution's vision of combining professional excellence with social responsibility. I extend my heartfelt appreciation to all faculty members, staff, and students for their sincere contributions. With continued support and collaboration, I am confident that our college will scale greater heights in the years to come.

ABOUT PEOPLE'S COLLEGE OF DENTAL SCIENCES AND RESEARCH CENTRE

People's College of Dental Sciences and Research Centre, a constituent unit of People's University, Bhopal, is committed to excellence in dental education, patient care, and research. The institution offers undergraduate (BDS), postgraduate (MDS), and doctoral programs in various dental specialties, fostering academic rigor and clinical expertise.

The college is equipped with modern infrastructure, state-of-the-art laboratories, advanced dental clinics, and a dedicated team of highly qualified faculty members. It provides comprehensive oral health services to the community through its teaching hospital, outreach camps, and rural health initiatives, thereby fulfilling its vision of combining education with social responsibility.

With a strong emphasis on research and innovation, the college encourages students and faculty to engage in projects that contribute to advancements in dentistry. Regular workshops, continuing dental education (CDE) programs, seminars, and conferences are organized to update knowledge and skills in emerging trends.

PCDS&RC continues to nurture compassionate dental professionals who excel in clinical practice, research, and community service, strengthening its reputation as a centre of academic and professional excellence in Central India.

"PROVIDING EXCELLENCE IN THE FIELD OF PARAMEDICAL SCIENCES BY INNOVATIVE QUALITY EDUCATION THROUGH PARTICIPATIVE LEARNING AND PROMOTION OF RESEARCH ACTIVITIES".

Message From The PRINCIPAL

It gives me great pleasure to present the Annual Report 2024–25 of People's College of Paramedical Sciences and Research Centre. This year has been marked by academic excellence, clinical exposure, and holistic growth of our students, who continue to uphold the values of competence and compassion in healthcare. I sincerely thank the University leadership, faculty, staff, and students for their dedication and contribution to our progress, and reaffirm our commitment to shaping skilled professionals who will serve society with integrity and care.

About People's College of Paramedical Sciences & RC

"PROVIDING EXCELLENCE IN THE FIELD OF PARAMEDICAL SCIENCES BY INNOVATIVE QUALITY EDUCATION THROUGH PARTICIPATIVE LEARNING AND PROMOTION OF RESEARCH ACTIVITIES".

Peoples College of Paramedical Sciences & Research center (PCPS) is recognized by Paramedical Council of Madhya Pradesh, Director of Medical Education, Higher Education Department, and is a constituent institution of Peoples University, Bhopal. The students will get the opportunity to be enrolled in the most prestigious Paramedical College, which is located in a cosmopolitan and multicultural environment and has been effectively leading the organization since 2003.

The Institute is equipped with the most advanced infrastructure, faculty resources, state-of-the-art facilities, opportunities for student grooming, psychological counseling, community service activities, national service and national citizenship, health awareness activities, entrepreneurship workshops, continuous medical educational programs, sixteen value-added courses, support for slow learners and advanced learners, student-centered teaching and learning methods, topic completion quizzes, and a vibrant internal quality assurance cell.

PCPS takes a student-centric approach to teaching and learning. It had a thriving Internal Quality Assurance Cell (IQAC) that focused on student academic excellence. It emphasizes human values and health professional ethics throughout the program. It boasts one of the best NSS units in central India, recruiting over 150 youngsters each year. PCPS NCC students took part in the Republic Day Parade and Prime Minister's Program in Delhi. Vertical Orientation Programs (Vocational and Emplacement Readiness Training) are used in comprehensive adult learning at this school. Students are promoted as program organizers and are promoted to communality-based activities, so they are upgraded into efficient and dedicated citizens of the country.

DATE	EVENT	ACTIVITY
3/08/2024	Plantation Drive at Anganwadi	**Plantation Drive by People's College of Paramedical Sciences and Lions Club International, Bhopal Elite** People's College of Paramedical Sciences, in collaboration with Lions Club International Bhopal Elite, organized a plantation drive at various Anganwadis adopted by the college. The initiative aimed to promote environmental conservation and create a greener environment for children. Tree plantation was carried out at Anganwadis in Shabri Nagar (420, 1167), Koluha (924), Malikhedi (453), and Maholi (320). Shade-giving and medicinal plants such as Neem, Peepal, Tulsi, Mango, and other fruit-bearing trees were planted. Anganwadi workers, children, and local community members actively participated. Environmental experts also conducted awareness sessions on the importance of trees, conservation practices, and plant care, including watering, fertilizing, and maintenance for long-term survival.
08/03/2025	World Women`s Day at Anganwadi	**Programs Conducted** 1. **Plantation Drive –** The event began with a tree plantation drive, symbolizing growth and sustainability. Students and women planted saplings, promoting the importance of a greener environment. 2. **Poster Awareness Campaign –** A poster-making session was organized, where participants highlighted women's rights, achievements, and contributions through creative visuals. 3. **Speech on Women's Day –** A motivational speech was delivered, emphasizing the significance of Women's Day and women's empowerment. 4. **Motivational Stories on Great Women –** Inspiring stories of influential women such as Rani Laxmi Bai and others were shared to motivate students with examples of resilience and success.

		5. **Handwashing Demonstration –** Proper handwashing techniques were demonstrated to promote personal hygiene and disease prevention. 6. **Women Employment Awareness –** A session on women's employment opportunities highlighted various government schemes and self-employment options. 7. **Cultural Dance Performance –** The celebration concluded with a vibrant cultural dance performance by the participants.
13/03/2025	World Kidney Day	**NSS Unit of People's College of Paramedical Sciences Celebrates World Kidney Day** *Bhopal, March 13, 2025* – The NSS unit of People's College of Paramedical Sciences organized **World Kidney Day** with a series of awareness activities. The program began with a lecture by renowned physician **Dr. Naved Ahmed**, who emphasized the importance of a balanced diet, regular exercise, adequate hydration, and avoiding smoking and alcohol for kidney health. He highlighted the need for early detection of kidney diseases, regular health check-ups, and effective management of conditions such as diabetes and hypertension to reduce the risk of kidney damage. His motivational talk encouraged participants to adopt healthy habits in their daily lives. A **poster-making competition** on the theme *"Detect Early, Protect Kidney Health"* allowed students to showcase their creativity by illustrating preventive measures such as proper nutrition, physical activity, hydration, and routine check-ups. The impactful posters were well appreciated and helped spread awareness. In the next phase, a **poster awareness campaign and pamphlet distribution** were carried out in the local community. NSS volunteers shared practical health tips, explained symptoms of kidney diseases, and distributed informative pamphlets on prevention and regular screening. The initiative was warmly received, with active participation from community members, making the campaign a resounding success.
20/03/2025	International Day of Happiness	**NSS Boys & Girls Unit Celebrates International Day of Happiness** *Bhopal, March 20, 2025* – The NSS Boys & Girls Unit of People's College of Paramedical Sciences (PCPS) celebrated the **International Day of Happiness** at Ashra Old Age Home and within the college premises, spreading joy among elderly residents and college support staff through cultural and interactive activities. At Ashra Old Age Home, 11 NSS volunteers organized cultural performances, poetry recitations, laughter therapy, and games to uplift the elderly. Residents shared life experiences, and volunteers distributed sweets, fruits, and handmade greeting cards. A plantation drive was also conducted, creating a serene environment while promoting sustainability. The residents expressed heartfelt gratitude, strengthening the bond between the younger and older generations. At PCPS, celebrations focused on college attenders and sweepers. A total of 98 students participated in cultural programs, fun games, and interactive sessions. Small gifts were distributed as a token of appreciation, making staff feel valued and respected. The event fostered an inclusive atmosphere where every individual felt recognized and celebrated.

26/3/2025-29/03/2025	World TB Day Celebration	**Activities on TB Awareness** 1. **Poster Making Competition (26th March) –** NSS volunteers participated in a poster-making competition on the theme *"Detect TB Early, Save Lives."* Students highlighted key messages on TB symptoms, prevention, and public responsibility. 2. **Pamphlet Distribution –** Informative pamphlets in Hindi and English were distributed, covering TB transmission, symptoms, early diagnosis, and government-supported treatment under the National TB Elimination Program (NTEP). 3. **Community Awareness Drive (27th–29th March) –** NSS volunteers conducted door-to-door campaigns in nearby areas, including Shabri Nagar and Koh-e-Fiza. They interacted with residents, addressed queries, and stressed the importance of testing in case of persistent cough or weakness. 4. **Health Education Sessions –** Small group sessions near the college educated people on BCG vaccination, the role of nutrition in TB prevention, and access to free TB diagnosis and treatment through public health centers.
15/4/2025	Asara Old Age home medical camp	**Health Check-up Camp at Old Age Home** The camp aimed to provide free health check-ups for elderly residents, ensure early detection of health issues, and instill social responsibility among student volunteers. **Key Activities:** Eye check-ups, blood sugar and hemoglobin testing, blood pressure monitoring, physiotherapy consultation, and interactive service by NSS volunteers. **Medical Team:** Ophthalmologist, physiotherapist, pathologist, nursing staff, and lab technicians. The camp was a successful welfare initiative that benefited the elderly while fostering empathy and community service among students. It was recommended to organize more such camps in the future for greater impact.
04/05/2025	Joy Of Giving	**"Joy of Giving" Community Outreach Program** The NSS Unit of *[Your Institution Name]* organized a community outreach program, **"Joy of Giving,"** on 4th May 2025 at the slum locality near Ayodhya Bypass Road, Bhopal. The initiative aimed to spread happiness among underprivileged children and their families through the distribution of essential items. NSS volunteers, with contributions from students, faculty, and well-wishers, distributed clothes, shoes, utensils, gifts, and stationery items. More than 100 children and families benefited, with children especially delighted to receive stationery kits and shoes supporting their education. Volunteers also engaged them in playful activities, creating an atmosphere of joy and togetherness. Program coordinators **Dr. Naved Ahmed** and **Mrs. Tabish Aliya Khan** commended the volunteers' efforts and stressed the importance of giving back to society. The event, filled with compassion and unity, truly reflected the NSS motto *"Not Me, But You."*
